## AMAZON OPTION – 4days / 3nights – KAJ1

### Day 1:

Upon arrival from Lima or Cusco we will welcome you at the airport and transfer you to our base in Puerto Maldonado. Here enjoy your first taste of the tropics in our gardens and pack only the necessary gear for your next few days, leaving the rest safely stored at our safe deposit. After a short drive from Puerto Maldonado to the river Port it is time for your boat journey to the Amazon Lodge. Upon arrival you will be welcomed and given a briefing and time to settle in. In the afternoon just relax at the lodge or hike into the jungle returning to the lodge for dinner. After a sunset you will never forget participate in an environmental lecture, held nightly. Settle down in your bungalow and fall asleep listening to the sounds of the jungle. **(L+D)**

### Day 2:

After an early breakfast you will boat and hike to a nearby lake. Canoe or sail on the lake searching for wildlife such as a family of giant river otters, caiman, hoatzin, turtles and horned screamers. Visit a Parrot clay lick and see dozens of parrots and parakeets descend on most clear mornings to ingest the clay on a river bank. After lunch visit a local community and return to the lodge for dinner. On a night spotlighting walk search for the mammals that are active but rarely seen. Much easier to find are frogs with shapes and sounds as bizarre as their natural histories. **(B+L+D)**

### Day 3:

At dawn head into the nearby jungle to the canopy tower to listen to the dawn chorus as the jungle awakes. After breakfast more boat and hiking activities into the jungle. Visit a local farm and enjoy lunch. Return to the Lodge for dinner and a night spotlighting boat trip searching for Caiman and other wildlife. **(B+L+D)**
